

The Heart of the Matter...

...Our Residents

*Cliff Hagan
Resident of the Month*

Cliff was born April 19, 1928 to Frank and Claire Hagan in Eddyville, Nebraska. He is from a family of 26 brothers and sisters. They moved to Lexington where Cliff attended school.

He married Louise Hanson on June 19, 1948 and together they had four children—Vivian, David, Michael and Patrick. Eventually they left the Lexington and Gothenburg areas and moved to Sutherland where all four children graduated from high school.

Cliff drove truck starting out driving for someone, but soon owned his own and drove independently. He did this for many years. He sold his trucks to go to work for Consolidated Freight and retired from there.

Cliff enjoyed being outdoors spending hours in his

garden. He has grown some of the biggest and best vegetables you can imagine. Ask him about some of the potatoes and carrots he has raised. He could plant a lawn and have it looking immaculate in a short time. Pretty sure he is one of the very few who can grow grass on a rock! He enjoys boating and fishing especially when he can do it with his kids. Cliff enjoys visiting with friends and family and being entertained by his great grandkids. We are honored to have Cliff as our June resident of the month.

Poems by our Residents

The keys were left on the train
Along with my brain
When I got home
Decide to write this poem
Hope it doesn't decide to rain.

Look listen and think
Planting corn in the
Warmth of the earth
Spring has sprung.

The child is asleep dreams
Peaceful quiet content
With dreams dancing
In their heads.

We had Pet Day on the May 18th. Carl and Kim Benson brought in their kittens and two dogs and Lyanne Weissert brought in her puppy. Pictured above are Irene Weissert and Wilma Fritz.

June is Safety Month

As you know it is tornado season. Have a plan for you and your family. Know where to take cover and have some supplies with you and if you get separated have a place where you can meet up. Some of the things you should have in a kit are: a first aid kit, water, flashlight and extra batteries. If you don't have a basement, go to an interior room like a bathroom until it is safe.

Meet your Maintenance Supervisor

Carl Benson is our Maintenance Supervisor. I was born and raised in Bertrand. I am a U. S. Navy Veteran and married to Kim Benson. I have three children and seven grandchildren. I have been here at Elwood Care Center since September of last year.

I have been involved with a lot of new improvements including new flooring in the south wing and new sinks and lights in the bathrooms. We have more improvements coming up this year to better the facility.

Let me know if you have any maintenance questions or issues

We would like to express our sincere sympathy to the families of Vera Schwarz and Rose Herrick. A memorial was held in their honor.
