## *...Our Residents*

*Marjorie Schutz  
Resident of the Month*

Marjorie Schutz was born in the Eustis area on January 5<sup>th</sup>, 1935. She attended Maple Grove Country School, then after moving to Eustis she attended Eustis Public School, where she graduated. She was in band and played the French horn and also sang in the choir. She was a member of the Cadet Club and later joined the Pep Club. She was the salutatorian of her graduating class. While in school she worked with her dad at the City Hotel which he managed.

Marjorie was a member of St. John's Lutheran Church in Eustis where she sang in the choir. Then she became a member of Our Redeemer Lutheran Church in Elwood.

She had four loving ANGELS {boys}, Stan Kim, Troy, and Robbie. She always said that's where her grey hair came from. She lived on a farm south of Eustis where she raised her family. She began working at the Lexington Hospital as an aide. After moving north of Eustis she began to work at the Elwood Care Center when it opened. After moving to Elwood in 1978, she continued to work at the Care Center and in the early 80's she furthered her education in North Platte to become an L.P.N. She worked at the Elwood Care Center until she retired.

She enjoyed reading, working in her flower garden, playing cards, and doing ceramics. Her favorite flower is a hybrid Iris. She also loves spending time with family and friends and sitting in the front of the house in the swing.

She was a hard working Mom, always loving and caring for her family as well as other people. She is a GREAT Grandma to 5 grandchildren and 5 great grandchildren.

She has been a resident at the Elwood Care Center since June of 2013. We are honored to have Marge as our Resident of the Month.

## *Getting to know our Staff....*

Pam Wescoat works as a Medication Aide and Office Assistant. She has worked in long term care for 40 years with 14 1/2 of those years at Elwood Care Center.

What I enjoy most about working at Elwood Center are the residents and learning about their lives and trying to make them smile.

People may not know that we have a great therapy program for both in-patient and outpatient. The girls do a great job.

I grew up in the Lexington area where I graduated from High School. I have three sisters and two brothers, one of which is my twin.

None of my relatives have lived in ECC but some very close friends have resided in the Elwood Care Center.

Some of my hobbies are Bible Study, cooking and baking to share with my neighbors and friends, mowing lawns, and spoiling my nephews, nieces and especially my great nieces and nephews .

Favorite vacation spots for me are Ouray, Colorado and Alaska.

My favorite food at work are Patsy's famous cinnamon rolls, and at home .

I love to help friends who are unable to remove snow (this year haven't had to do that) and mow for them in the summer.
